TERMS AND CONDITIONS

1. All freight is prepaid and allowed on all individual orders with a net billing amount of \$5,000.00 or more consisting of any combination of items in this Duro Dyne Supply Division Price Category, the Tool Division Price Category and the DuroZone Division Price Category, with the following exceptions:

- Machinery will be shipped freight prepaid.
- Machinery Parts will be shipped freight prepaid and billed.
- Adhesives & Duct Sealers will be shipped freight prepaid.
- Orders with a net billing amount less than \$5,000.00 are shipped freight prepaid and billed from the nearest stocking warehouse.
- PBACZVOC, SRPG and SGD will incur a \$20.00 hazardous materials handling charge for broken master carton quantities.
- All adhesive & duct sealers with hazmat labeling must be shipped by ground transportation – Air shipment requests would be converted to ground shipments automatically.
- See the current Dyn-O-Mate Price Book for the latest freight prepaid policy regarding accompanying Dyn-O-Mate materials.
- Dyn-O-Ring only orders must meet \$4,000.00 to qualify for prepaid freight (up to a maximum size of 46" single or double wall).

2. All orders are subject to acceptance at Bay Shore, NY; Hamilton, OH; or Longmont, CO.

3. Duro Dyne Corporation standard invoiced payment terms are: 1%-15, net 30 days. The 1% payment term discount does not apply to freight charges listed on our invoices. Any conflicting terms listed on customer purchase orders are superseded by terms stated herein.

4. All Duro Dyne products are warranted against defects in quality or workmanship. Defective material will be repaired or replaced at the manufacturer's discretion. Liability resulting from defects in quality or workmanship is limited to the value of that material.

5. Prices are subject to change without notice; although Duro Dyne will attempt, when and where possible, to provide prior written notice.

6. All freight prepaid orders must have a destination within the contiguous United States. Freight carriers and routing will be at Duro Dyne's discretion. Additional expense incurred to accommodate special requests will be the customer's responsibility. All materials are shipped F.O.B. nearest stocking warehouse.

7. All Custom produced Supply products will be subject to a Set-Up charge to be determined at the time of quotation with all sales being final – no returns will be accepted.

RETURN POLICY

Credit will be issued on any materials returned only with prior written authorization from the factory. All materials must be of current style, returned within one year of purchase and in saleable condition. Serial numbers and invoices must be furnished upon request. All material authorized for return must be shipped freight prepaid and allowed and is subject to factory inspection prior to issuance of any credit. Credit, where authorized, will be based upon the lower of; billing price or current catalog price and will be applied against an equivalent amount of new merchandise ordered. All returned material is subject to a minimum 45% handling charge. **IN NO INSTANCE SHOULD DAMAGED GOODS BE RETURNED WITHOUT PRIOR AUTHORIZATION.**

SHIPMENT DISCREPANCIES

All claims regarding shipment discrepancies must be reported within 5 days of receipt of that shipment. Damaged material or packaging should be reported directly to Duro Dyne Corporation and the damage MUST BE noted on the freight company's receipt for the claim to be processed. Detailed, dated pictures of the damage is strongly recommended to assist in a speedier credit or replacement of product.

NOTE

Dimensions and weights are for master carton quantities. They are approximate and may vary with packaging considerations.

Custom Size Multi-Blade Dampers

Custom Size Multi-Blade (OBD) Dampers can be made up to a maximum size of 500 square inches. To figure the square inches of the damper multiply the width by the height. All dampers over 288 square inches will be fabricated with multiple motors. To determine the price of special order dampers refer to the chart below.

If total inches are between:	Then trade price is:
0 and 288	\$
289 and 500	\$

How To Use the Chart

- 1-** Determine & locate the "A" Dimension measurement of the left side of the chart.
- 2-** Determine & locate the Face Plate "B" dimension measurement on top of the chart.
- 3-** This intersection gives you the item number and price category for ordering PMB Multi-Blade Dampers.
